ASIA PACIFIC AREA

It gives me great joy to bring you the first newsletter 2024-2025. Communication is the first pillar of growth and success of a team followed by celebration of small and big achievements a like. In the constant grind of our movement lives, this bulletin aims to strengthen our bond. It keeps us all updated regarding breakthrough results and ideas that originated from the greatest of minds at YMI and to ensure that we all have a united front for all future challenges.

This is not only a flatform to celebrate our success and acknowledge our members of their great work but also a medium to understand the overall performane of our YMI movement. I hope that this small effort will not only help all of us gain a stranger perspective about our Asia Pacific Area, but also inspire breakthrough ideas and gives us more leadership of our AP Joan Wong's reasons "Make A Great Impact" – Be Bold Serve by Faith to celebrate together.

AREA PRESEIDENT 'S MESSAGE

Be Bold Serve by Faith

Dear all Y's Men fellow,

My warmest greetings from Hong Kong.

It has been almost two months since I took office. Although it was not long ago, the work was actually prepared a few months ago. This summer was very exciting. Other than I attended the installation ceremony in some regions, the 1st Area Council Meeting was held on August 8, 2024 and all Area Executive Officers participated in the 74th Chiangmai International Convention. What makes me proud is that the number of delegates from the Asia Pacific Area this year is over 150 and every region had delegates.

My theme this year is "MAKE A GREAT IMPACT". As an international social service organization, the Y's Men's clubs mainly serve our partnership with YMCA and the community. Our existence is to serve the community. With love and care, to serve those who are truly in need in society by faith. In order to encourage the clubs to actively serve society and increase the exposure of the Area, the Asia Pacific Area will launch a Short Video Contest. We hope that all regions will actively participate in and submit the entries. Due to the decline in the number of club members, the Asia Pacific Area lost one seat in the International Council this year. Fortunately, due to the changes of international constitution, we can regain the seat we lost. In view of this, we need to increase the number of members in order to maintain two seats always.

All Area Service Directors were appointed in the 1st Area Council Meeting. They will be introduced in this newsletter. To maintain the Area well function and facilitate any decision-makings, the regular AEO meetings are important. I hope you all can support the Area and let's work together to promote Y's Dom. Here, may God bless you all richly.

Yours Y'sly

Joan Wong Area President
